ST. LORENZ LUTHERAN CHURCH

Frankenmuth, Michigan 48734

Founded in 1845 by missionaries from Franconia in Bavaria. The present brick church was built in 1880, remodeled in 1965 and is now one of the largest Lutheran Missouri Synod Churches in the world. Frankenmuth's history is pictured in splendor by beautiful stained glass windows. Its elementary parochial school has the largest Lutheran enrollment in the U.S. Sunday Services: 8:00 & 10:45 AM in English; 9:15 AM in German.
